

# Fire Safety - e-Learning CPD

Due to the Fire Safety Regulations (The Regulatory Reform (Fire Safety) Order 2005) Employers are legally required to provide employees with adequate Fire Safety Training on an annual basis. Our online Fire Safety course will help you fulfil this obligation by providing your staff with the knowledge and understanding of all key information regarding Fire Safety in the Workplace.

## Learning Outcomes

- Fire Law & Legislation
- Employees Responsibilities
- Fire Hazards & Risks
- Common causes of fire
- Detection
- Action on discovering a fire
- Fire Safety Management
- Fire Fighting Equipment

## Duration

60 mins
