

Paediatric First Aid - Level 3 Theory - e-Learning CPD

This Paediatric First Aid (Level 3) course has been developed for those who are working / wish to work with children and infants. This accredited course provides theoretical training in first aid techniques that are specific to infants aged under 1, and children aged from 1 year old to the onset of puberty.

It will especially be of interest to parents, teachers, child minders, crèche assistants, playgroup personnel and anyone else who has a responsibility for their welfare whilst in your care. It is ideal for individuals who are responsible for children and infants, who wish to gain an accredited Paediatric First Aid Award.
