Declaration

I am declaring that the above student and my details are correct, and I am taking a personal guarantee for the student and I will pay the remaining full balance (if any) after the student receives the VISA and before flying to the UK. Oxford College of Education Ltd will take all necessary steps by UK law to collect the balance if I fail to pay on time. An additional £15 per day will be added to the actual balance. I must tell the college about any change within seven days, including home address, name, email address, or any phone number.
